Cleantouch Accounts XP Crack (Latest)

Cleantouch Accounts XP is a handy piece of software designed to aid you in finance-related matters while managing small business companies. Modern interface The application comes with a colorful, yet intuitive user interface that allows you to quickly select the feature you want to access. The functions of Cleantouch Accounts XP are spread on 7 menu pages, each page allowing you to access multiple similar features. If you prefer a different color scheme for the interface, Cleantouch Accounts XP allows you to customize each menu by choosing from various color presets. Complex finance helper Cleantouch Accounts XP offers various finance-related functions bundled into an attractive and lively colored interface. The program allows you to create receipts and invoices with ease, which you can save on your drive. Each time a financial voucher has been issued and saved, the program offers you the choice to print it as well. Large database of information Whenever you save a contact or an account, it is saved to a database on your computer, in order for you to have access to the information when you need it once more. This way, you can quickly input data into financial reports by searching the information already into the database, making Cleantouch Accounts XP a time-efficient tool. User-friendly application In case you feel lost among the large array of features the Cleantouch Accounts XP has to offer, you can access an interactive help menu. Each feature of the program is explained in detail. Once you find the question you need an answer to, you can click on it and a help window will be displayed. If the simple explanation is not enough, you can also watch the helpful videos, which will aid you in learning how to use the program. Cleantouch Desktop Manager is an efficient software designed to help small business owners manage all of their small businesses data, contacts, finances and accounting records. Cleantouch Desktop Manager is an easy-to-use program that allows you to manage your business while providing a powerful information retrieval feature. This program is very easy to use and does not require training. It can be fully installed in Windows. It is designed to allow you to manage small businesses including creative agencies, restaurants, small bookstores, music stores, vacation rentals, and health care providers. It can be used to manage your financial accounts, payroll, service details, customer documents, addresses, contracts, invoices, and time entries. It comes with a trial version,

Cleantouch Accounts XP [Latest] 2022
