"In a world where the universe of obese humanity is defiling the sky, a global government is needed to collect all the necessary energy to power the world of the future. So, to achieve their objective, which is not without being bathed in human fat, they created a company named "Health Surge" and developed a game entitled "Sea Of Fatness". The game was a catastrophic success and the employees, the people behind the game, all committed suicide. When the news were full of "sea of fatness", the president of the United States, Mr. R.TrumpET decided to launch a bomb attack in order to clean the "sea of fatness". Then everything went wrong and the entire world is in danger. How is the story?" Vanguard: Horizon Vanguard is a Action Strategy game in which players need to save humanity in a post apocalyptic world. The game takes place 4 years after the apocalypse, and when the end of the world was announced, the human race was scattered. You are one of the main characters, a soldier who woke up in the middle of the night in a tent on the back of a truck in a wasteland, without any memories. Your mission is to solve the mystery of your identity and to find out what happened to the other survivors. Your equipment in the wasteland gives you the freedom to do anything in your hand. Key Features: Fight RAGE - The Rage ability transforms you into a brutal combatant, you are able to unleash massive damage and kill any opponents in a short time. Survive - Survive in the wasteland and use weapons to kill others and to earn money in the hard way. Discover. Explore. Hunt - An MMO-like experience with an open world map for the player to explore the universe, to talk to survivors and to find guns. Explore the frontier. The game allows you to travel across the map, this way you can find new settlements, survivors or other objects of interest. CONTROL YOUR INTERACTIONS - Depending on your choice you will have different options to talk to and interact with people in the world. You are not alone. Save Humanity in a post-apocalyptic world and fight for the survival of the humans. Horizon Vanguard is a second act of Horizon Zero Dawn. What's new in Slizer Battle Management System:

TKM) The second volume, named "DIRTY DAUGHTER" earned the best song award. On 16 July Kim Heechul was interviewed by MBC Music Core to talk about the song "Dirty Daughter". Single For the Suga single, a number of videos were shot in different countries and cities: Tokyo, Hong Kong, Mumbai, Saudi Arabia, Abu Dhabi, Mumbai, Berlin and Seoul. The track itself is about and inspired by a new relationship, though, as per Suk Jin's sentiments, the lyrics are similar to the single by 2PM and Yoo Se-yoon, titled "Luv Luv Luv". In 2015, the single was re-released with a few song edits and re-arrangements, more tracks added and replaced, being named "Remake Album Version". Music video A sneak-peek of the music video for the song was posted on the official website, on 28 April. They filmed in Berlin, London, Paris, and Osaka on 21 May. The official music video was released on 16 June. The video shows a girl fondling a man's ear while he is asleep. Chart performance "DIRTY DAUGHTER" entered and peaked at #37 on the Gaon Digital Chart on 6 September, accumulating 1,073,742 downloads and 225,211 streams. Payday 2 is back! The great Escape from Archer's Keep Heist is now available free of charge. The Heist is an asymmetrical experience, where each team must tackle the missions in completely different ways. One team will play as the guard and try to pick off their prey while the other tries to get to the getaway vehicle. Both teams play as a lethal and entirely customizable crew of criminals in a sandbox setting, where bank robbery is the only rule! Flee, fight, shoot and loot your way through heists in any order you wish. On your way, you can hijack supply trucks, steal cars and destroy your way through the environment. As long as you have the correct tools, you can break into any safe and loot the hard way. The game can be enjoyed by both newcomers and hardcore PAYDAY 2 fans, so you'll always find the perfect style of play for you. This update includes the following fixes: - Fixed a bug where the music would not play when the game starts if the.exe is not yet in the final directory - Fixed a bug that caused players to end up in "Cannot save game" state when loading old save games, or leaving a game with the journal window open - Fixed a issue that caused the game to crash when opening the main menu after going to the main menu - Fixed a bug where the active tabbing mode would not be correctly restored on a new desktop - Fixed a bug where the current location of the roofing was always saved when setting the position of the roof - Fixed several issues related to the editor window, such as not catching cut and paste operations correctly - Fixed a few issues with the performance, such as better handling of large numbers of player models - Fixed a bug with splash screen cover showing during driving scenes - Fixed a bug where an invalid vertex data frame caused a crash when attempting to draw an object with a Mesh component - Fixed a bug where the game would crash when the Esc key was pressed - Fixed a bug where game could crash when showing the rewards for the Interceptor Heist - Fixed a bug where the Maybach would crash if you ran away while not in the car - Fixed

a bug with animations where the "walk idle" and "walk ready" animations did not function properly - Fixed a bug with the rain splat particle effect that caused it to go through nearby surfaces - Fixed a bug in the armory where showing the "Hide Surfaces" button was actually causing
